good news of great joy..."*
Luke 2:10

November 2020

Dear Parents,

Christmas might be a little different this year but, as we remember how God sent His Son to save us, we always have reason to celebrate. Therefore, whilst having the children take part physically within the Sunday School Christmas service may not be possible we are hoping to make a short video, featuring some of the children, to share with the rest of church on the 13th December; this service will also be 'streamed' live. Consequently, if you could please return the following consent form allowing your child to participate, we would greatly appreciate it.

We intend to 'shoot' the video over the next four weeks and ask that your child would bring a hat and scarf to Sunday School during this time so we can achieve a festive look!!

Lastly, we would warmly invite you, your friends and family to join the Sunday School Christmas service (2020 style!) on the 13th December.

Praying for a peaceful and happy Christmas for you all,

Brookside Sunday School

I am agreeable that my child _____ take part in the Sunday School Christmas 2020 video and I understand this will be shared within the church service and 'streamed' online.
